

---

**project**  
APPLIQUE OWL

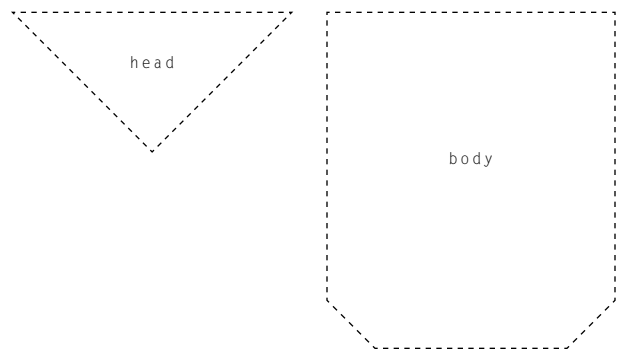

---

**supplies**

- two scraps of contrasting fabrics (cotton works best)
- black embroidery thread
- yellow embroidery thread
- double-sided fusible webbing
- embroidery needle
- scissors
- iron
- onesie

**pattern**

**directions**

1. Use the pattern above (size is best for a onesie, but can be scaled larger). Trace pattern onto fabric and fusible webbing and cut out.
2. Follow directions on the fusible webbing package and iron the head to the body.
3. Use black embroidery thread to sew on the eyes. Use yellow embroidery thread for the beak.
4. Fuse the completed owlie to the onesie.
